CROWN LYNN

Crown Lynn, with its New Zealand origin and Kiwiana heritage, is a renowned household features most well-known for its table wares and decorative potteries. From a humble beginning since the 1860s, beginning with simple clay pipes, Crown Lynn grew to be the largest producer of tableware in New Zealand. At the time Crown Lynn was the southern hemisphere's largest producer of household pottery

The 'Crown Lynn' brand name from New Zealand was bought by GBH Group in 1993 and its operations has been moved to Kuala Lumpur. Crown Lynn enjoys the patronage of royal families across Malaysia, various Malaysian ministers' offices and residences, all Malaysian embassies worldwide and many hotels and gourmet houses. All products are exclusively crafted to its excellence.

In the 21st century Crown Lynn now brings to consumers their Sanitary Ware lines of quality and green product, upscale yet affordable. Crown Lynn emphasizes on the green aspect in line with conservation of resources and sustainability. Crown Lynn range of products are manufactured with the latest technology to ensure the best of product available.
